

# 11th European ADAMS Users' Conference 1996

**Mechanical  
Dynamics GmbH**

*Engineering Software  
and Service*

## List of participants

| Company                               | Name            |
|---------------------------------------|-----------------|
| ABB Research Center                   | H. Walser       |
| Adtranz                               | R. Menssen      |
| ARDECARE                              | W. Kik          |
| AUDI AG                               | S.-M. Esch      |
| AUDI AG                               | D. Weid         |
| AUDI AG                               | V. Underberg    |
| AUDI AG                               | H. Jendryka     |
| AUDI AG                               | J. Hudi         |
| BMW AG                                | K. Plitt        |
| BMW AG                                | R. Sulaiman     |
| Braun AG                              | P. Nobis        |
| BTR Metzeler                          | S. Behrens      |
| Centro Ricerche Fiat                  | P. Campanile    |
| Centro Ricerche Fiat                  | M. Montiglio    |
| Cocreate Software GmbH                | J. Bosch        |
| Continental AG                        | K.-U. Köhne     |
| Daimler-Benz-Aerospace<br>Airbus GmbH | N. Geyer        |
| Dallara Automobil s.r.l.              | C. Franchi      |
| Danisi Engineering                    | G. Danisi       |
| Danisi Engineering                    | P. Gatti        |
| DGA ETAS                              | C. Ramaen       |
| DGA ETAS                              | F.-X. Tourangin |
| Dr. Reinold Hagen Stiftung            | O. Bruch        |
| Dr. Ing. h.c. F. Porsche AG           | G. Preschany    |
| FH Aachen                             | M. Wahle        |
| FH Rheinland Pfalz - Koblenz          | A. Lenz         |
| FH Rheinland Pfalz - Koblenz          | K. Thielecke    |
| Fachhochschule Wiesbaden              | W. Seubert      |
| FIAT Automotive                       | A. Bissolli     |
| FIAT Automotive                       | G. Travaglio    |
| Fiat Ferroviaria                      | P. Vivalda      |
| Fichtel & Sachs AG                    | R. Sonnenburg   |
| FORD Werke AG                         | P. Fickers      |
| Gerardi S.P.A.                        | E. Annacondia   |
| GIE PSA Peugeot Citroen               | J. Chillon      |
| Goodyear Technical Center             | M. Ginter       |

# 11th European ADAMS Users' Conference 1996

| Company                                             | Name            |
