Q3 2011

## Greetings to the MSC Technology Partner Community!

We are pleased to announce the re-launch of the Partner Program website! The site has been modernized and easily displays the new program structure as well as New Partner Highlights, resources such as Partner Case Studies, and an archive of previous Partner Program Newsletters. We will continue to reach out to obtain logos and text to add you to our family of technology partners. Click below to take a tour of the updated site!

## WELCOME NEW PARTNERS!

MSC is pleased to announce the addition of the following partners to our Technology Partner Program, growing the total number of new partners in 2011 to seven.

## ANNOUNCEMENTS

### **MSC Software Enters the Computational Fluid Dynamics (CFD) Market with XFlow**

On May 23<sup>rd</sup>, 2011, MSC Software Corporation announced that it had entered into a strategic market development partnership with Next Limit Technologies for XFlow, a new state of the art Computational Fluid Dynamics (CFD) solution. [Click here for the complete press release.](#)

### **Technology Partners Featured in MSC's Upcoming Simulating Reality Magazine**

One of the many benefits of being a Technology Partner includes being featured in our Simulating Reality Magazine. The following three companies will be on display for the technology community's review: Contact Software's (Formerly ForceFive's) Fast Concept Modeller (FCM) provides integration with MSC Nastran optimization solutions, Collier Research's flagship product, Hypersizer provides integration with MSC Nastran, and data M's roll forming solutions are powered by MSC Marc. Watch for this issue - due to be released in early August!

### **You are invited to sponsor MSC Software's 2011 Americas Users Conference!**

The conference provides our partners an excellent opportunity to reach out to existing MSC Software customers as well as prospects interested in exploring MSC Software solutions. As a sponsor you will have the opportunity to generate leads, demonstrate your products and services to a targeted audience, and network with key customers and prospects.

Sign up early to become a sponsor and receive maximum exposure on our web site and in promotional materials. Deadline to sign up as a sponsor is **Monday, August 22, 2011**.

**For more information contact Tony Davenport at (410) 404-6971 or e-mail [Americas.Conference@mscsoftware.com](mailto:Americas.Conference@mscsoftware.com).**

**MSC Software 2011 Americas Users Conference Call for Papers** - We are currently seeking proposals for presentation at the America's User Conference so submit your abstract today! Please note that abstract submissions close on **Monday, August 1, 2011**.
