- 1.3. "**Software**" means the *MSC Apex™* computer program and accompanying user documentation (if any).
2. Grant of License. Subject to the terms and conditions of this Agreement, MSC grants to Licensee for the duration of the license term, a limited, non-exclusive, personal, non-transferable license to install and use a single copy of the executable code version of the Software solely for Personal Use, and for no other purposes, on the Licensee-owned personal computer for which MSC issues authorization codes. Any license granted to Licensee under this Agreement does not extend to any modules, portions or functionality of the Software which MSC has, in its sole discretion, chosen to disable or limit access to, by way of, among other things, the license management system provided with the Software.
3. Restrictions and Protections. Licensee acknowledges that the Software and its structure, organization and source code constitute and contain valuable confidential information and trade secrets of MSC

Licensee shall not, and shall not allow others to: (i) use the Software for the benefit of Licensee's employer or other third parties, or for other commercial use, such as commercial consulting or other fee-generating activities; (ii) reverse-engineer, decompile, disassemble, or otherwise attempt to derive the source code for the Software; (iii) modify, alter, translate or create derivative works from the Software; (iv) sublicense, rent, loan, lease, sell, or otherwise transfer all or part of the Software; (v) export or re-export the Software; (vi) disable, modify or circumvent the license management system provided with the Software, or take any other step to avoid or defeat the same; (vii) disclose the Software, its output, or results of any benchmarks, to a third party without MSC's prior written consent; (viii) analyze or use the Software or its output for the purposes of developing a competitive product or service; (ix) access or use modules, portions or functionality of the Software for which Licensee has no valid license; (x) install or use the Software on a computer owned or controlled by a third party, or on any computer other than the one for which MSC issues authorization codes; or (xi) otherwise use, copy or disclose the Software except as expressly permitted under this Agreement.

All right, title and interest (including all intellectual property rights) in the Software, and any derivative, modifications and improvements thereto, are and shall remain in MSC (and/or its suppliers, as applicable). These rights are protected by national and other laws and international treaties. Licensee agrees not to claim or assert title to or ownership of the Software, or any derivative, modifications, or improvements thereto. All rights not expressly granted are reserved by MSC.

4. Delivery and Installation.

MSC reserves the right to accept or reject any request for a license. MSC reserves the right to deliver the Software either by making it available to Licensee for electronic download or by physical delivery. Electronic download is the default means of delivery.

Licensee is responsible for installation of the Software. The Software requires authorization codes to run. Any such required authorization codes will be issued in accordance with MSC's then-current license management policy. Licensee shall provide MSC with the host identifier and any other information reasonably required by MSC to permit MSC to generate the necessary authorization codes. Use of the Software without the required MSC-issued authorization codes is prohibited. Licensee shall not disclose or provide such authorization codes to any third party.

5. No Technical Support / Maintenance. Licensee acknowledges and agrees that MSC is not obligated to provide technical support or updates of any kind for the Software. To the extent that MSC, in its sole discretion, provides any technical support or updates in connection with this license or Agreement, such technical support and updates will be governed by this Agreement.
6. Term and Termination. The evaluation license term shall begin upon receipt of the MSC-issued authorization codes for the Software, and shall continue for a period of **One Year**, unless terminated earlier as set forth in this Agreement. MSC may, at any time, terminate this Agreement without cause by giving notice of termination to Licensee (email notice sufficient for such purposes). Additionally, MSC may immediately terminate this Agreement in the event of any failure by Licensee to comply with any of the terms or conditions of this Agreement. Such termination shall be in addition to and not in lieu of any other remedies available to MSC. This Agreement shall automatically terminate upon expiration of the license term. Upon expiration or termination of this Agreement for any reason, the licenses granted hereunder will automatically terminate and Licensee will immediately cease using the Software and de-install the Software (and related materials and authorization codes) from Licensee's computer and destroy all copies of the Software (and related materials and authorization codes). Upon MSC's request, Licensee will certify in writing that it has complied with the obligations

in the foregoing sentence. The following sections of this Agreement shall survive termination of this Agreement: Section 1, 3, 6, 7, 8, 9, 10, 11, 12, 13 and any other provision that by its language or context implies its survival.

7. Disclaimer of Warranties/Licensee Representations. THE SOFTWARE IS PROVIDED ON AN "AS IS" BASIS AND MSC, ITS AFFILIATES AND SUPPLIERS DISCLAIM ALL WARRANTIES WHATSOEVER, EITHER EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO THE SOFTWARE OR ANY SERVICES PROVIDED UNDER THIS AGREEMENT. MSC, AND ITS AFFILIATES AND SUPPLIERS FURTHER EXPRESSLY DISCLAIM THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. MSC MAKES NO WARRANTY THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE.

Licensee Representations. Licensee represents that:

8. Limitation of Liability. IN NO EVENT SHALL MSC, ITS AFFILIATES OR SUPPLIERS BE LIABLE FOR ANY DAMAGES WHATSOEVER, INCLUDING ANY OR ALL GENERAL, SPECIAL, CONSEQUENTIAL, INCIDENTAL, OR INDIRECT DAMAGES ARISING OUT OF THIS AGREEMENT OR USE OF THE SOFTWARE OR SERVICES, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY, AND WHETHER OR NOT MSC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. LICENSEE'S SOLE AND EXCLUSIVE REMEDY SHALL BE TO TERMINATE THE LICENSE AND THIS AGREEMENT BY WRITTEN NOTICE TO MSC. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.
9. Export Compliance. Licensee acknowledges that the Software and this Agreement are subject to United States export control laws and regulations and Licensee shall comply with all such laws and regulations. Licensee represents and warrants that Licensee is not a citizen, national or resident of, and is not under the control of, the government of: Cuba, Iran, North Korea, Sudan, or Syria, nor any other country to which the United States has prohibited export. Licensee will not download or otherwise export or re-export the Software, directly or indirectly, to the above mentioned countries nor to citizens, nationals or residents of those countries. Licensee further represents that Licensee is not listed on any U.S. Government export-restricted list, including without limitation, the U.S. Department of Treasury Specially Designated Nationals List or Foreign Sanctions Evaders List, or the U.S. Department of Commerce Entity List, Denied Persons List, or Unverified List. Licensee will not download or otherwise export or re-export the Software, directly or indirectly, to persons on any U.S. Government export-restricted list. Licensee will not use the Software for, and will not allow the Software to be used for, any purposes prohibited by United States laws or regulations, including, without limitation, for the development, design, manufacture or production of nuclear, chemical or biological weapons of mass destruction.
10. Third Party Software. The Software may be accompanied by or contain certain third party software, including open source software (collectively, "Third Party Software"), for which MSC is required to pass-through to its licensees certain additional terms and conditions and/or notices. Such required

Third Party Software terms and conditions and/or notices are provided at <http://www.mssoftware.com/thirdpartysoftware> or any other successor site designated by MSC. Licensee agrees to be bound by and comply with the applicable Third Party Software terms and conditions, if any. **THIRD PARTY SOFTWARE IS PROVIDED "AS-IS," WITHOUT WARRANTIES OR LIABILITY OF ANY KIND BY MSC.**

11. US Government Use. If Licensee is a branch or agency of the U.S. Government or is licensing the Software on behalf of the U.S. Government ("Government"), the following provisions apply to this Agreement. If the Software is supplied to the Department of Defense ("DoD"), it is classified as "Commercial Computer Software" under clause 252.227-7014 of the DoD Supplement to the Federal Acquisition Regulations ("DFARS") (or any successor regulations) and the Government is acquiring only the license rights granted herein (the license rights customarily provided to non-Government users). If the Software is supplied to any unit or agency of the U.S. Government other than the DoD, it is classified as "Restricted Computer Software" and the Government's rights in the Software are defined in clause 52.227-19 of the Federal Acquisition Regulations ("FAR") (or any successor regulations) or, in the case of NASA, in clause 18.52.227-86 of the NASA Supplement to the FAR (or any successor regulations).
12. Feedback. From time to time, MSC may request feedback from Licensee regarding Licensee's experience with the Software. MSC may freely use and disseminate any feedback provided by Licensee. Licensee agrees not to claim that MSC owes Licensee or others any compensation for use or dissemination of such feedback.
13. Miscellaneous. This Agreement constitutes the complete agreement between MSC and Licensee with respect to the subject matter hereof, and this Agreement supersedes all prior or contemporaneous agreements or representations, written or oral, with respect to the subject matter of this Agreement. This Agreement may only be amended by a written agreement signed by authorized representatives of both parties. This Agreement shall be construed and disputes hereunder shall be settled under the laws of the State of California without regard to its conflict of laws principles. MSC and Licensee agree to submit to the exclusive jurisdiction of, and venue in, the courts of Orange County, California, USA, in any dispute arising out of or relating to this Agreement. Notwithstanding the foregoing or anything to the contrary, MSC (and its affiliates and suppliers, as applicable) shall have the right to bring claims in any court of competent jurisdiction to enforce any intellectual property rights and/or protect any confidential information. The U.N. Convention on Contracts for the International Sale of Goods shall not apply. Licensee may not assign or transfer, by operation of law or otherwise, any of its rights or obligations under this Agreement. Any attempted assignment or transfer by Licensee in violation of the foregoing will be void and a breach of this Agreement. If any provision of this Agreement is invalid, the parties agree that such invalidity will not affect the validity of the remaining portions of this Agreement. The parties further agree to substitute a valid provision for the invalid provision that most closely approximates the intent of the invalid provision. Any notices to MSC under this Agreement shall be given in writing to: MSC Software Corporation, 4675 MacArthur Court, Suite 900, CA 92660, USA, *Attention: Legal Department*, or to such other address as MSC may substitute. MSC will not be held liable or responsible for delay or failure to perform any of its obligations under this Agreement occasioned by any cause beyond its reasonable control.
